### Welcome to 38464.com

As we all have seen, People love venting. And for a long time, the only way people knew how, was to write a letter to the editor of the local newspaper. Some would get published and others wouldn't.

Well, we want to change that. We don't choose which opinions to publish. We let everyone speak. And some don't like that.

Well, we don't care.

Lawrenceburg Tennessee's only online forum! Online since 2002. We boast over 1100 members, along with 6000 posts. Come be part of Lawrenceburg's future. You can make a change. But, no one can hear you if you aren't speaking.
